

# **Rotary's "Family Program"**

## **Help for Families of Addicts and Alcoholics**

### **What is the Family Program and how will it help?**

- Rotary's Family Program is an education program providing support to parents and family members of addicts and alcoholics
- Helps families understand how the disease of addiction works
- Helps families understand the role they should play to help their loved one get treatment
- Helps toward successful treatment
- Helps families understand how to regain happiness in their own lives
- Helps families to once again be productive at work

### **Who is managing the program?**

- Rotary – the Rotary Club of Honolulu and the Rotary Club of East Honolulu are providing a experienced, professional facilitator

### **When and where are the meetings?**

- Thursday evenings at 6:30PM – weekly starting September 14, 2006
- St Andrews Cathedral in downtown Honolulu – in the Parke Chapel located on the Diamond Head side of the Cathedral

### **More information**

- No charge to participants
- Totally confidential
- The meetings will be facilitated by an expert from the YMCA who is experienced and trained in the disease of addiction and who can provide help to families suffering because of a relative's use of drugs and/or alcohol

**Call Tony or Charlie at 848-2494 for more information.**
